FIRST CALL FOR PAPERS VI CI-SoDoFi 2025

Dominican Society of Physics International Congress

Hotel Catalonia Bávaro Beach, Golf & Casino Resort Punta Cana, Dominican Republic
January 14th to 18th, 2025

The Dominican Society of Physics (SoDoFi) is pleased to invite you to the sixth Dominican Society of Physics International Congress (VI CI-SoDoFi 2025) to be held in the Catalonia Bávaro Beach, Golf & Casino Resort, Punta Cana, Dominican Republic, from January 14th to 18th, 2025. On this occasion, the leading topic of the congress will be the physics of Climate Change and Global Warming, followed by general topics in physics which are listed below (other topics related to physics are welcome).

Topics of Interest:

- Solid State, Nanoscience, and Nanotechnology
- Medical Physics
- Earth Sciences
- Energy
- Educational Physics
- Mathematical Physics
- Particles and Fields
- Statistical Physics and Thermodynamics
- Astrophysics and Astronomy
- Econophysics
- History and Philosophy of Physics

Submission of abstracts. Use up to 350 words for your abstract, do not include figures or tables. At the end of the abstract, include at least 3 keywords. The following form is for participants interested in presenting their research work at the International Congress of the Dominican Physical Society (<https://shorturl.at/Var90>). Authors are encouraged to present short and complete works related to theory or experimentation on all topics of interest related to the Congress. The abstracts of the accepted presentations would be published in the abstract book of the VI-CI-SoDoFi 2025 with ISBN number. *The deadline for submission is on October 30th, 2024.*

VI Congreso Internacional de Física CI-SoDoFi 2025

14 al 18 de Enero, 2025 / January 14th to 18th, 2025

Oral presentation. All presentations are limited to the amount of time that appears in the program (maximum of twenty minutes), including questions, and setup time to connect laptops and/or flash drives. A presentation should not start late or extend beyond the scheduled end time. Authors should be prepared before submitting to allow for a quick and easy transition from one talk to another to avoid unnecessary delays between presentations.

Poster presentation. Register the posters on the day of their presentation. The presenter must be a poster author and/or a registered attendee. Each presentation will be assigned a board and labeled with a number (e.g., PS001) and the name of the presenting author (Display your material in large print so that it can be read remotely. Print TITLE and AUTHORS in extra-large print at the top of the screen.) CI-SoDoFi recommends that the size of the poster be as follows: 46 inches wide x 46 inches high (USA format) and 118 centimeters wide x 118 centimeters high (EUROPE format).

Are you interested in participating without a presentation? The following form is for participants interested to join us at the International Congress of the Dominican Physical Society as a listener: <https://shorturl.at/bOmXE>

Additional questions could be addressed to:

Dr. Inna Samson: denergy@sodofi.org

Dr. Kety Jiménez: info@sodofi.org

We hope to see you at the VI CI-SoDoFi 2025, Punta Cana, Dominican Republic in January 2025. Additional information, the steps for registration, and the cost of the event will be provided on the website of the congress.
