The Dominican Society of Physics (SoDoFi), is pleased to invite you to the II Dominican Society of Physics International Congress (II CI-SoDoFi 2021), to be held 100% virtual during the week of January 18<sup>th</sup> to 22<sup>nd</sup>, 2021. The main topics to be discussed during this congress are listed below.

#### Topics of Interest:

- Earth Sciences
- Educational Physics
- Solid State, Nanosciences and Nanotechnology
- Medical Physics
- Mathematical Physics
- Statistical Physics and Thermodynamics
- History and Philosophy of Physics
- Energy
- Particles and Fields

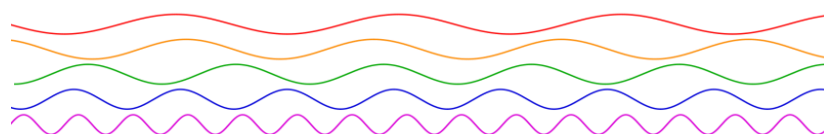

Authors are encouraged to submit short and full papers, presenting new research related to the theory or practice in all the topics of interest of the congress. The abstracts will be published in the book of abstract of the II CI-SoDoFi 2021 with an ISBN number and the proceedings papers accepted will be published in the *Caribbean Journal of Physics (CJP)*, a journal of the Dominican Society of Physics. The proceedings papers submitted for evaluation will go to the pair review process of the *CJP*.

#### Submission:

Use up to 300 words to write the abstract, do not include references or figures or tables. At the end of the abstract include at least 3 keywords.
